

CLC COMMUNIQUÉ

No 5/ April 2011

The Communication of the South African Region

Western Cape – Eastern Cape – Gauteng

<http://www.clc-sa.za.org>

Dear National Community,

Christ is Risen Alleluia

We have heard from the Regional Superior, Fr David Smolira, that Fr Dermot Preston – our EA of some years back, has been appointed Provincial of the British Province. On behalf of us all in CLC Kaye Henrick will send our congratulations and blessings.

**Remember our Lenten CLC Prayer:
Is this what we really want ?
Prayer and discernment for our CLC
apostolate!**

Thank you to all the groups who sent in their responses to Communiqué 2. If your group has not done so we would welcome your thoughts nonetheless. During Lent we asked you to reflect on the above. We will be asking you to send in your thoughts soon again and in the mean time the Exco is working on the next steps in discernment. The words from Communiqué 2 are repeated below just in case you want to refer to them again.

We also congratulate Jane Hulley on her stupendous effort. Jane sailed through the Argus and made it to the end. So far, she has collected R3,607.00 in sponsorship. The photo is of Jane doing sterling time and those of you in Cape Town may know in which exact locality it was taken. Congratulations Jane and thank you for your effort to raise funds for CLC.

Who would like to be next?

I have included two of Shane's paintings which you may want to ponder over this Easter. What strikes you about them? How do they draw you into a deeper relationship with our Lord? Perhaps they make you want to run screaming away from them! Whatever your reaction to them – ponder it in the light of our Easter celebrations. And thank you to Shane for letting us have them in Communiqué

You have a dream

Or at least, we think you do.

Your National Exco has listened to your responses
to the work that so many did
in the programme on the Apostolic Body
We realised that what you were saying there
seemed to repeat what we had been hearing time and again.

In our Vision Statement, back in 1992, we claimed to be
'aware of the needs of our times'
The times may certainly have changed,
But the need that is clearer than ever,
is the need for education.

You have said it many times,
Over the dinner table
Outside the school gates
In your own sharing at CLC
In the projects your groups have undertaken
At the Assemblies at Fatima and La Verna,
And now in your responses to the Apostolic Body Programme

How can we as CLC
'give ourselves more generously in our daily lives'

You seem to be asking us to start a CLC school!
Are you really?
What can you as an individual offer?
And what can you as a group offer?

Many blessings for Easter to all the Community

Mandy
